

# Golan Heights Hostel - 2018

## Odem Forest - The Yellow Trail

### GETTING THERE

The trail start and finish at the hostel door.

The first mark is just outside in the parking space

### WHY WE LIKE IT?

Beautiful in all seasons.

Gives a good taste of the north part of the Golan - amazing views and the full forest experience

Beginners and experienced hikers will enjoy this hike

### GOOD TO KNOW

The hike takes 3-4 hours. the best time will be early in the morning or in the after noon.

Take at least 2 liters of water

Wear shoes or good sandals

### A trail we marked ourselves

This trail will lead you up to Odem mountain, a dormant volcano with an altitude of 1,200 meters above sea level, through magnificent view points, into Odem forest, the "big juba" crater and back to Odem.

This is an easy circular trail of 12 km with some optional short cuts on the way back.
